MISSIONS

Greetings.

I had a scan recently and the doctor was positive. It seems that the immunotherapy is stabilizing the tumor. Thank you for your continued prayers for my health in this difficult time.

Also this week my wife received her green card from the U.S. government. She can now stay legally in the United States.

We are spending lots of time babysitting our granddaughter. This too is a blessing.

Thank you for your cards or good-will messages.

Sincerely,
Tim and Wilma Palmer
